

Executive Boards and Commissions

Governor Response to Repeal Considerations | October 16, 2019

In its August interim meeting, the Government Operations Interim Committee received an assessment of executive boards and commissions that legislative staff prepared, including 28 executive boards and commissions that were identified as potential candidates for repeal. The Governor's Office, in consultation with the governor's cabinet, reviewed that list and made the following recommendations.

Recommend to Not Repeal

- Advisory Council for the Utah School for the Deaf and Blind
- Advisory Council to the Division of Services to the Blind and Visually Impaired
- Agricultural Water Optimization Task Force
- Alarm System Security and Licensing Board
- Board of Bank Advisors
- Boating Advisory Council
- Child Support Guidelines Advisory Committee
- Children's Hearing Aid Advisory Committee
- Coal Miner Certification Panel
- Emergency Management Admin. Council
- Federal Land Application Advisory Committee
- Forensic Mental Health Coordinating Council
- Governor's Committee on Employment of People with Disabilities
- Habitat Council
- Heritage Trees Advisory Committee
- Livestock Brand Board
- Motor Carrier Advisory Board
- Newborn Hearing Screening Committee
- Off-Highway Vehicle Advisory Council

OK to Repeal
